

HSE Award Alert 016

EHS Best Contractor of the Quarter Award

SBD Infrastructure project at Al Taweelah has been presented the 'EHS Best Contractor Award' for the first Quarter of the year (2018). The award function was held on 18th April at the project premises.

Mr. Aws Kamil and Mr. Venkadesh Periathambi received the award from EGA Projects, Vice President, Mr. Yousuf Abdullah Al Bastaki, BPJV Project Manager, Mr. Stacey Barlow and ES&H Manager Ms. Debbie Brown.

SBD has received a number of awards for different projects at At Taweelah Alumina. Saif Bin Darwish ensures to comply with the requirements established by EGA and the consultant, BPJV. This award was possible due to the collective effort of the project and the HSE team. Proactive monitoring measures such as inspections, site tours, audits and near miss reporting have played an important role in the achievement of the best HSE practices at the site. SBD makes an effort for the timely closure of all observations and non-conformances at the site to ensure the workplace is safe.

Congratulations to the team for the achievement!!!
