Safety in Heat Award 2013

Saif Bin Darwish (SBD) have had the great privilege and honor to receive an award from Health Authority Abu Dhabi on 16th April 2013 in celebration of HAAD's 5th Anniversary of the Safety in Heat Program. Among more than 400 companies in the UAE that submitted their respective safety in heat programs, only 25 have met the strict criteria, SBD was one of them. After careful review and evaluation, SBD was chosen from the entire building & construction sector to be given this award. SBD has actively and continuously supported and implemented Safety in Heat awareness across the company for the past four (4) years. The event was held in Shangri-La Hotel, Qaryat Al Beri, Abu Dhabi, where Mr. Robert Burns, Group Head of HSE received the prestigious award presented by Dr. Omniyat Al Hajri, Director of Public Health and Policy Division of HAAD.
