EGA RASHID AWARDS

Saif Bin Darwish won this year's Rashid Award for the Best EHS Contractor for EGA Al Taweelah Alumina Project. EGA hosts Rashid Awards for EHS & WM and EGA suggestion scheme each year, using the forum to recognize the top achievers in both areas in the prior year. All EGA employees and executive management were invited to attend the award ceremony to acknowledge and celebrate the winners. More than 1,000 people attended the 2016 Rashid Awards, which took place in Dubai on 21 March. Mr. Adnan Naji, COO received the award from EGA. Mr. Robert Burns, Group Head HSE, Mr. Emad Al Taweel, Project Manager & Mr. Venkadesh Periathambi, Sr. HSE Manager attended the award ceremony.

The credit for the achievement of this award goes to the team work & effort put in by all employees & the management to make the project successful and be recognized for this award. This award was achieved after careful evaluation & close monitoring of the Project HSE statistics, HSE standards and review of legal compliance.

The SBD EGA Al Taweelah project has set high HSE standards and has shown full commitment & dedication to ensure a positive HSE culture throughout the project. The project has set a good example of compliance with SBD & client HSE management system.
