

HSE Award Alert 006

ACHIEVEMENT OF 5 MILLION MAN-HOURS

In November 2013, Shamkha Lot 4 Project has been awarded the Certificate of Achievement by the client Musanada & Parsons for achieving the 2nd Project Safety Milestone (5 Million Man-hours without Lost Time Incident). The certificate was presented to Mr. Ghassan Abdul Jabbar, Senior Projects Manager, Saif Bin Darwish by Mr. Frank Liston, Project Director, Development of South Shamkha. The awarding ceremony was held at the Musanada meeting room & was graced by the Top Management of Musanada, AECOM & Parsons.

This achievement at Shamkha is due to the cooperation & contribution of Top Management, Project Team & site HSE Team. The site HSE headed by Mr. Varghese Ninan & his team performed outstandingly to meet all HSE requirements set by the client & the consultant. The SBD HSE Management System has been approved by the AD EHSMS & the Corporate HSE Division has always maintained a good working relationship with Abu Dhabi Municipality as well as all SBD Project clients. Regular trainings & safety related workshops are conducted to create awareness and to eliminate/minimize all hazards & risks.

The same level of HSE Performance is expected from all SBD Projects so that we can work together to have quality work without any LTI.
